*The two days your student is at home (either Tuesday/Thursday or Wednesday/Friday) they will be engaging with our distance learning curriculum. This may include Art Zooms, Studies Weekly, National Geographic, I-Ready, Handwriting Without Tears, Explode the Code, Scholastic News, and online reading programs. Paper copy and online versions of distance learning will be available and Google Classroom will be used to outline learning objectives and home assignments. Monday will also be an independent study day.
