New Business [15 mins]

Holiday Movie Night— Amber was wondering if there were any options to do a Family Movie Night like we did last year. She suggested hosting multiple nights by site to cut down on many patrons being together at once. Other options like drive-in movie were discussed. The group will research and explore options and talk about it next month.

Officer's Report

- **President's report** – Willow had nothing to report.
- **Treasurer's report**- Maggie gave the financial report for October. There were few changes since last month. Heard back from tax preparers. More work needs to be done on them.
- **Secretary's report** – Mandi had nothing to report.

Site Division Report Outs –

- **Quincy – Mel Strahm**— Mel reported that the members present at the September meeting discussed fundraising and where their existing funds will go. They also voted to donate \$100 to DramaWorks and purchasing art supplies for a student who lost their home in fire. Next meeting is 10/28.
- **IVA Taylorsville – Emilee Schramel**— IVA discussed possible fundraisers to support the Junior Class. They did well in the Golf Tournament Fundraiser! Wine night is postponed until Spring. Next meeting is 11/10.
- **GLC K-6 – Amber Russell**— They discussed a potential joint fundraiser with IVA selling Christmas trees and a Grinch Photo-shoot.
- All sites voted to purchase 15 masks each and move forward with the mask fundraisers.

Unfinished Business—

--**Mask Fundraiser**-- Renee was not present, but Maggie will follow up with her and make sure the fundraiser is ready to go. Then she will make up a fundraiser flier.

--**Student Reps**-- Willow reached out to admin and relayed some concerns about 6th grade students being able to attend all the time. What will the club expectations be? The goal is to get students involved with a more laid back feel. Next step is to present to teachers and get nominations for student reps.

--**Senior Celebrations**-- Tabled until next month.
